EXPIRED ANIMAL USE FORM (AUF)

All AUFs expire three years from the date of the original approval. If the AUF is in its third year and the project is ongoing, the PI should submit a new AUF for review and approval by the IACUC six weeks prior to the expiration date.

If a new AUF has not been approved by the expiration date, animals on the AUF will be transferred to the Campus Animal Resources (CAR) holding protocol (refer to Guideline IG013 – Management of Animals from Expired Animal Use Forms).

- All animals will be under control and management of the MSU Attending Veterinarian (AV).
- No research, teaching, testing, or breeding activities can be conducted.
- Payment of all per diem charges will remain the responsibility of the PI and the department. These charges cannot be charged to any federally-funded grant.
